Applicant(s): KREAM, Richard M.
Title: Method of transporting a chimeric hybrid molecule across the blood brain barrier
Group: 1600
Art Unit: 1647
Examiner: Robert Landsman, Ph.D.

RESPONSE TO OFFICE ACTION

November 1, 2006

Commissioner of Patents
United States Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This responds to the Office Action dated July 6, 2006.

Response to Paragraph 2.A

In response to paragraph 2.A Specification, the reference is amended to read "This is a division of U.S. Application No. 10/134.187, filed 4/26/02 (now U.S. Patent No. 6,881,829)."

Response to Paragraph 2.B

I respectfully submit that my present application does not include new matter, as further explained in my response to paragraph 3. If, however, the examiner disagrees, I am prepared to withdraw the new matter and to file a continuation-in-part application.

Response to Paragraph 3

Claims 3 and 4 in the Response are relabeled as per the attached amended Response to Claims.

Responses to Paragraphs 4 and 5

In response to paragraph 4. Claim Rejections, 35 U.S.C. § 112, first paragraph – scope of enablement and paragraph 5. Claim Rejections, 35 U.S.C. § 112, first paragraph
